Two Games Are Played.

Southern and Pennsylvania were victors in the two basketball games played in the Railroad Y. M. C. A. Basketball League last night. Southern defeated C. and O. by a score of 37 to 14 and Pennsylvania won from B. and O. in a close contest by 25 to 26.

CARTER AND MERRIMAN WIN.

Will Meet Beall and Kelley, Respectively, on Pinehurst Links.

PINEHURST, N. C., March 3.—All four regular and two consolation divisions played the second round of match play in the annual spring golf tournament here yesterday. This brings all divisions down to the semi-finals.

In the first sixteen, B. P. Merriman, the former Yale player, and twice Connecticut state champion, will meet T. A. Kelley, Southern Pines, while in the other consolation match "Phil" Carter, Nassau, will meet the old Princeton player, E. C. Beall, Uniontown.

Beall had an up-hill fight with the veteran, W. E. Truesdell, from Fox Hills, never being up until he won the sixteenth hole. Taking the seventeenth, he ended the match, 2 and 1. Merriman, Kelley and Carter had easy matches. The local pros expect that Carter will win his fourth straight tournament here and add to his collection the silverware which goes to the winner of the tournament. The summary for the first two sixteen follows:

First sixteen, second round: B. P. Merriman, 1; A. Kelley, Southern Pines, 3; and E. C. Beall, Uniontown, 2; W. E. Truesdell, Fox Hills, 2 and 1; P. V. Carter, Nassau, beat H. C. Fowles, Oakmont, 4 and 2.

Second sixteen, second round: Richard Mott, Huntington Valley, beat J. H. Clapp, Chevy Chase, 2 and 1; R. A. Henshaw, Occoquan, beat K. C. Shannon, 24, Brookport, 4 and 3; W. A. Vandell, Richmond, beat H. H. Jones, Detroit, 5 and 3; C. R. McDonald, Lumberton, beat J. D. Armstrong, Atlantic City, 4 and 2.

JOHN HENRY HERE; IS IN FINE SHAPE

Picks Harry Harper to Be of Great Help to Nationals This Season.

LOCALS TRAINING FARTHER NORTH THAN ANY OTHERS

Team Has Been Getting Good Start in Race Because of Being Accustomed to Cold Weather.

BY J. ED GRILLO.

John Henry, the Nationals' premier catcher, arrived in this city this morning. John spent most of the winter in Utah, but of late has been at his home at Amherst. He is in fine shape and is ready to begin working as soon as the regulars start for Charlottesville a week from today. Henry signed his contract almost immediately after seeing Manager Griffith.

Henry was on the all-star trip last fall and is loud in his praise of Harry Harper, who, he says, is a much improved pitcher.

"Harper displayed control and a lot of stuff in the games he pitched on that trip," Henry said, "and I look for him to be of great help to us in the coming campaign."

The fact that the youngsters who are at Charlottesville have been unable to indulge in outdoor practice to date is not a source of disappointment to Manager Griffith. He insists that the pitchers will be better off by working indoors in inclement weather than they would be out in the open.

"All I want these pitchers to do is to toss the ball. I don't want them to pitch for a week or more. Let them loosen their arms gradually and in due time they can begin to use some speed. Curve pitching will not be allowed for several weeks yet, by which time they will become acclimated to the strain."

"I am satisfied that we will have good weather down there and the players will be better off by working indoors than they can get themselves ready for real strenuous outdoor work by working twice a day in this climate."

Griffith always has been an expert at getting his pitchers in shape. He has a system which he followed at the University of Maryland and which has helped him to win many games. He never rushes his twirling candidates, but lets them take it slowly, and when it gets down to where they pitch at top speed they are given the rest they require the next day or so, being sent to the outfield to whiff flies and thus keep themselves in condition while resting their arms.

The Nationals this year, as for the past four years, are training farther north than any of the other major league teams. Stallings is taking his Braves to Miami, Fla., the farthest point south that any team is going. Pat Moran will be at St. Petersburg, while Robbie and the Brooklyn squad will be at Daytona, and Joe Tinker at Tampa, Jacksonville, the Florida city to be invaded by a major league club, is harboring the Athletics.

Lee Fohl takes his team to New Orleans. Fielder Jones goes to Palestine, Tex., and Miller Huggins to San Antonio. Hughes Jennings and his Tigers will be at Washington, Tex.; Clarence Rowland at Mineral Wells and John McGraw and the Giants at Marlin, Carrington and Callahan with the Red Sox and Pirates, to Hot Springs, Ark., and Herzog will train at Montgomery, Ala.

It is argued in Griffith's favor that his team when it starts out will be accustomed to the sort of weather that is apt to be prevailing in most of the cities where the season opens, because the players, not having been trained in a hot climate, will be better off by working in the cold than they will be by training in the heat of the South.

Griffith's team always has obtained a fair start in the race in the spring, holding its own with most of its rivals.

BOXERS SHUN WILLARD.

Only One Responds to Call for Sparring Partners.

NEW YORK, March 3.—Jess Willard's invitation to heavyweight boxers to spar with him during his training season at the Pioneer A. C. brought forth only one husky yesterday, big Bob Williams of Brooklyn. Williams weighs about 220, and is six feet two inches tall, but his two-round bout with the champion was not very impressive. Willard hit Williams one hard punch on the nose and drew the first blood of his training session here. He also went through the usual circus sparring session of two rounds each with Jack Hemple and Walter Moohan.

Willard made his work a little heavier yesterday, but at the end of his session it could be seen that he did not exert himself. The efforts to get Al Ketch, Jim Coffey or Jim Savage to box with him have not been successful, and the champion knows the tactics of his two camp companions, Hemple and Moohan, so well that their bouts amount to little more than rehearsals in defensive boxing.

At the ring side yesterday, watching Willard, was Billy Muldoon, the old wrestler. He would venture no definite opinion about Willard's condition. He did say, however, that it was not fair to judge a fighter's condition during the first days of his training. He thought, for a big man, Willard looked pretty good.

TIE IN GOLF SEMI-FINALS.

Mr. and Mrs. Davis to Play Victors of Play-Off at Aiken.

AIKEN, S. C., March 3.—Never has there been so many close matches in any golf tournament of the Palmetto Golf Club as in the annual handicap match play mixed foursomes for cups presented by Mrs. C. Oliver Jolin this week. It has been remarkable for ties, close matches and exciting finishes, and yesterday the biggest gallery of the season followed the play.

In the semi-finals Mrs. Gifford A. Cochran and J. Gordon Douglas (10) halved their match with Mrs. Joseph C. Thaw and Prescott Metcalf. (6). The tie will be played off today and the winners will play Mr. and Mrs. J. E. Davis.

In the play-off of the tie in the third round Mrs. Joseph C. Thaw and Prescott Metcalf (6) defeated Mrs. Harry W. Lamontagne and E. W. Jewett (4) 5 and 2. (2 holes). Summary:

Semi-finals—Mrs. Gifford A. Cochran and J. Gordon Douglas (10) tied with Mrs. Joseph C. Thaw and Prescott Metcalf. (6). Mrs. J. E. Davis (2) defeated Mrs. Philip W. Livermore and J. R. Talma, (7). 6 and 4.

RELAY RACES TO BE FEATURE OF GEORGE WASHINGTON MEET

Many Events of Interest Carded Between Schools, Clubs and Colleges—Five Dual Contests Between Big Institutions.

BY H. C. BYRD.

Relay races will be the main feature of the George Washington University track meet tomorrow night. Several events have been carded between colleges which should be close and interesting, and on the face of the matchings there is not a contest among the major lot which ought to result in a walk-over for either quarter.

The final and main relay race will take place between the Maryland Aggies and Lehigh University. Both these fours have done some good work during previous meets. The Maryland four was defeated by Virginia in the South Atlantic intercollegiate mile championship in the Hopkins-Fifth Regiment games, in Baltimore, in 3:31.5 seconds, a record performance, by about ten yards. Hopkins, running in the same race, was third by about thirty yards. Lehigh won from Georgetown in the feature relay in the Blue and Gray meet two weeks ago by a wide margin, and has in its line-up men who have established their reputations in open competition.

The two-mile race between Virginia and Virginia Polytechnic Institute may develop into a remarkable affair. The Virginia Polys last spring were represented by two mighty competitors, distance men in the south Atlantic intercollegiate, and they probably will form the nucleus for a pretty strong combination. It would not be a big surprise by means if V. P. I. were to defeat the Orange and Blue.

Georgetown and Hopkins are to meet in a mile relay which should prove of exceptional interest to local followers of the sport. Hopkins so far has shown faster quarter-milers than Georgetown, but when the latter appeared against Lehigh it was not in as good condition as at present.

Catholic University will meet Washington and Lee in a one-hundred-and-two-hundred-yard race, and with the fast sprinters the latter has the event ought to be close and well run. Catholic University probably will have quite a little advantage in its ability to take the turns with great facility.

Another collegiate relay event will take place between the George Washington and the Baltimore Aggies. Several other events are booked for less distances than a mile.

A one-mile intercollegiate relay has been carded between Episcopal High, Woodberry Forest, Richmond Academy and the Baltimore Polytechnic Institute. These institutions rank with the best prep schools in the south from a standpoint of athletics, and the race should be mighty well contested. Several shorter races between schools are listed.

The events in which club teams are to take part seem to be attractive. The Barton Heights Athletic Club, Baltimore Cross Country Club and Columbia Athletic Club are matched for a two-mile contest. There is a one-mile club race of importance, too, the Baltimore Athletic Association, the Richmond Light Infantry Blues and the Fifth Regiment Athletic Association being scheduled to meet in a three-cornered event.

The mile race representing the Columbia Athletic Club is to go against the Lord Baltimore Club of Baltimore.

The relay races are interspersed with the open events in such a way that there is not a monotony of either. The following is list of the thirty-eight competitions and their order on the program:

50-yard dash, 100-yard dash, open hand-dash, relay, one mile, 200-yard dash, 400-yard dash, 800-yard dash, 1,200-yard dash, 1,600-yard dash, 2,000-yard dash, 2,400-yard dash, 2,800-yard dash,
